ABOUT OUR COLLEGE

Mahendra Arts & Science College, started in the year 1999, conferred the "Autonomous Status" by University Grants Commission (UGC), Government of India from the academic year 2015 - 16 and under the name MASC (Mahendra Arts & Science College).

Hauling a vision "To provide good education hybridized with a good conduct and character to the rural based students", Mahendra Arts and Science College is one of the top most colleges in Namakkal district with over 2500 students. Today, Mahendra Arts & Science College is one of the most sought after arts and science Institutions in Tamil Nadu, presumed for its highly qualified and experienced faculty and outstanding infrastructural facilities for curricular and extracurricular activities; the college has maintained a desirable academic excellence right from its inception. The student community encompasses of students from all over Tamil Nadu. The college has accomplished its mission and its academic achievements are a testimony to the same. More than 70% of students secure first class with distinctions year after year. It has students and faculty exchange programs with leading international companies and Multinational Organizations. The autonomous college has also received numerous accolades and awards over the years. Our College has grown to greater height, offering 11 UG and 10 PG courses and research facilities in all departments. Our College has become an ISO 9001:2000 and NAAC certified institution ensuring quality education. Yet another feather has been added to the cap of Mahendra Arts & Science College that the University Grants Commission (UGC) has recognized our college u/s 2(f) & 12 (B) of the UGC act 1956.

INTENSIVE CARE PLACEMENT & TRAINING CELL

Mahendra Arts & Science College provides an environment that promotes not only the intellectual but also the overall personality development to its students. Personality Development Workshops are organized in the college for all enrolled students with a view to equip them with the necessary soft skills required to beat the stringent selection process and emerge successfully in today's competitive world. The students are exposed to intensive training for acquiring Communication, Motivation and Leadership Skills. They gain essential inputs in goal setting and team building. They also undergo Case Study Analysis, Extempore, Group Discussion and Personal Interview Session. More than 90% students of final year undergraduate and postgraduate programs are benefited by getting placement offers from leading Multinational Organizations during the academic year 2014 - 15. The college believes training and placement as its key duties to every student who enrolls with the institution.

The Placement and Training cell of the college provides one and the same opportunity to all enrolled students to:

- Attend campus interviews conducted for leading companies from Chennai, Bangalore, Hyderabad and other foremost cities throughout the country.
- Do In-Plant Training
- Prepare the students to excel in Aptitude Test, Case Analysis, Group Discussions and Personal Interviews.
